

HOPE *IS* HERE!

To whom it may concern -

We are grateful for the opportunity to invite you to participate in the third annual Pink Teal Luncheon featuring Karen Mills as our guest speaker. Our goal of the event raising awareness about cancers that most often affect women - breast and gynecological cancers.

1 in 8 U.S. women will develop breast cancer over the course of her lifetime and 1 in 100 women will be diagnosed with ovarian cancer by age 70. Though it is less common than breast cancer, ovarian cancer causes more deaths than any other cancer of the female reproductive system.

The Pink Teal Luncheon will be held on October 24, 2019 at 11:30 AM at the Sheraton Hotel in Arlington, TX. The generosity from our sponsors and attendees directly supports the Cancer Assistance Fund of North Texas, a 501 (c) (3) organization. Their mission is to provide opportunities to empower patients, their families, caregivers, and health professionals to become partners in cancer care.

The proceeds from this event will go directly to the Cancer Assistance Fund of North Texas. With your support, we can help this group provide necessary services for women in Arlington. Please join us this year so we can raise awareness about breast and gynecological cancers in the Arlington community. Our sponsorship opportunities are listed in the attachment. We would love to have you be a part of this exciting event.

Thank you,
2019 Pink Teal Committee
